

PETITION FOR JUNE 21ST TO BECOME A STATUTORY HOLIDAY

Whereas the recognition of First Peoples’ historic presence in the land known as Canada and the honouring of their contributions are an important part of the reconciliation process; and

Whereas the governments of the Yukon and Northwest Territories have established a statutory holiday on June 21st for the occasion,

We the undersigned call on British Columbia’s provincial government to create a provincial statutory holiday on June 21st to recognize and honour National Indigenous Peoples Day.
