

# What do **You** need?

**COVID-19** has made discussions around safety more important than ever.

Did you know **injury trends** in Assisted Living and Independent Living have been **going up** since 2015?

We want to help **bring them down**.

Answer a **quick survey** to let SafeCare BC know what we can do to help.

Tell us **what's important to you**, what resources you need, and how COVID-19 has affected your work.
